

Creating a Retirement Income Plan For Your Life

You've been saving for your retirement each and every year. One day you will need to start drawing money from your various retirement sources. **But how do you do it?**

Join us via Webex

Thursday, April 28th at either 12 pm or 4:30 pm
email kay.murray@nyuhs.org to reserve your spot.

Pension

Which pension option should you choose? Should you choose the highest payout? Is there a "right" answer?

403(b) and Def. Comp

Will you need to rely on these accounts for income? How do you manage taxes and which accounts should you draw from first?

Social Security

When should you begin drawing your Social Security? Is there a benefit to waiting or delaying?
